

## What's New?

### Your feedback is important to us! Please complete a brief survey on CAN-ADAPTT's research agenda

The CAN-ADAPTT team is working to compile a smoking cessation research agenda with feedback from the network. Please take 5 minutes to complete a brief survey by clicking the following link: [sample URL](#). Your feedback would be greatly appreciated!

### Join CAN-ADAPTT!

We invite all healthcare professionals, researchers and policy makers interested in helping smokers make changes to their behaviour, to join our network by clicking [here](#).

## Upcoming Events

### Mark your Calendars: Version 2.0 of CAN-ADAPTT's Guideline launches soon!

In anticipation of the Spring 2010 release of the next version of this guideline, CAN-ADAPTT is seeking opportunities to disseminate this version of the guideline and to engage you and your colleagues in providing feedback. To discuss possibilities for workshops, teleconferences and more in your area, please contact your regional coordinator ([Atlantic Canada](#), [Ontario](#), or [Western Canada](#)).

### Transdisciplinary Tobacco Rounds

CAN-ADAPTT will be holding a special April symposium.

Title: "Neuroscience and Tobacco"

Date: **Friday, April 16<sup>th</sup>, 2010, 9 AM -12 PM (EST)**

Location: **TEACH Learning Centre (3<sup>rd</sup> floor), 175 College Street**

Presenters:

**Dorothy Hatsukamu, PhD**

## Recent Activity

### Science Journal Review

CAN-ADAPTT is happy to now offer free email updates on relevant scientific tobacco control articles. If you would like to unsubscribe from this service, please email us via [this link](#).
