OTRU's Evaluation of CAN-ADAPTT

The Ontario Tobacco Research Unit (OTRU) is currently conducting an evaluation of the CAN-ADAPTT project. As part of this, OTRU is seeking feedback from network members and you will be contacted in the coming weeks by email, requesting your participation in an online survey. Your feedback is valuable; we thank you in advance for your participation.

Smoking Cessation Research Agenda

CAN-ADAPTT is currently developing a Canadian tobacco control research agenda and welcomes your input. We will be sending out a survey shortly to CAN-ADAPTT members for feedback. Alternatively, please feel free to post comments on our [discussion board](#) or [email us](#) directly with comments/suggestions.
