

## What's New?

### Science Journal Review

CAN-ADAPTT is happy to now offer free email updates on relevant scientific tobacco control articles. If you would like to unsubscribe from this service, please email us via [this link](#).

### Mark your Calendars: Version 2.0 of CAN-ADAPTT's Guideline launches soon!

In anticipation of the Spring 2010 release of the next version of this guideline, CAN-ADAPTT is seeking opportunities to disseminate this version of the guideline and to engage you and your colleagues in providing feedback. To discuss possibilities for workshops, teleconferences and more in your area, please contact your regional coordinator ([Atlantic Canada](#), [Ontario](#), or [Western Canada](#)).

### Join CAN-ADAPTT!

We invite all healthcare professionals, researchers and policy makers interested in helping smokers make changes to their behaviour, to join our network by clicking [here](#).

## Upcoming Events
